Pharmacist/Pharmacy Technician Qualifying Examination – Part II (OSCE/OSPE) Candidate Face Masks

Candidates taking PEBC's OSCE/OSPE during the COVID-19 pandemic are required to wear a face mask at all times while in the secure examination area, except during a snack or water break.

PEBC will provide the following masks:

- one standard disposable 3-ply ASTM Level 2 face mask with ear loops per candidate
- one replacement mask if the first mask becomes damaged, wet or soiled

It is every candidate's responsibility to ensure they are comfortable wearing a mask like the one provided by PEBC for an extended period of time and that they can communicate effectively, ensuring they are understood.

The masks that are provided by PEBC are identical or very similar to the following:

Candidates are permitted to bring their own ear savers and mask extenders into the secure examination area. PEBC does not supply ear savers or mask extenders. On exam day, present them for inspection when you register.

Mask extenders include the following type:
